EQUESTRIAN CANADA STATEMENT OF PRINCIPLES

Equestrian Canada (EC), the national equestrian federation of Canada, supports adherence to humane treatment of horses in all activities under its jurisdiction.

All persons are committed to:

Upholding the welfare of the horses, regardless of value, as a primary consideration in all activities;

Requiring that horses be treated with kindness, respect and compassion, and that they never be subjected to mistreatment;

Ensuring that all Equestrians including owners, trainers and competitors, or their respective agents, use responsible care in the handling, treatment and transportation of their own horses as well as horses placed in their care for any purpose;

Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure;

Providing current information on Code of Practice for the Care and Handling of Equines and other equine health and welfare initiatives;

Continuing to support scientific studies on equine health and welfare;

Requiring owners, trainers and competitors to know and follow their sanctioning organization's rules, and to work within industry regulations in all equestrian competitions; and

Actively promoting the development and adherence of competition rules and regulations that protect the welfare of the horse

The standard by which conduct or treatment will be measured is that which a person who is informed and experienced in generally accepted equine training and competition procedures, would determine to be neither cruel, abusive nor inhumane.

The following shows are COMPETITION MEMBERS of Equestrian Canada, House of Sport, 2451 Riverside Drive, Ottawa ON K1H 7X7 www.equestrian.ca and are GOVERNED BY THE RULES OF EC (A60201) and are INDIVIDUALLY SANCTIONED as follows:

Summer Smiles is sanctioned as an EC Bronze competition

SAFETY, INCLUSIVITY, & EXCELLENCE

Your guide to the latest updates for the competition season in Canada

IMPORTANT CHANGES have been implemented to enhance the safety and inclusivity of equestrian sport. Whether you're an athlete, parent, coach, official, or competition staff, your role is crucial in upholding these standards. Here's what you need to know:

SAFE SPORT TRAINING PREREQUISITE:

- The two free EC Safe Sport training modules must be completed before purchasing a Sport Licence. Check your training status on MyEC by clicking on the ECampus button.

DISCONTINUED TEMPORARY LICENCES AND TEMPORARY HORSE REGISTRATIONS:

- Temporary EC Sport Licences are now discontinued at competitions. All riders, owners, and coaches must possess an EC Sport Licence to participate in events. All horses must have a Horse Recording where level and division require.

AVAILABLE SHOW LEVEL UPGRADES:

- Explore higher-level competitions with temporary upgrades via your MyEC Portal. Note: National Rankings Points are not tabulated for upgraded results.

COACH STATUS REQUIREMENTS:

- All coaches at EC-sanctioned events require EC Licensed Coach Status. For upgrading from Registered to Licensed Status, coaches can apply for a Temporary Coach Status (TCS) to fulfill the requirement for each event.
- New for 2025: A TCS may be purchased conveniently online via the MyEC Portal only. Each TCS is valid for a single event.

EMPOWERING SELF-COACHED ATHLETES:

- Athletes without a coach on-site can declare themselves as self-coached by providing their name and EC Sport Licence number on their entry form. Coaches that are not present at the event with the athlete are not to be listed on the entry form.

EQUINE BIOSECURITY AND EQUINE HEALTH REQUIREMENTS

The most common path for spreading germs and disease is contact among horses, humans and other animals. Bodily fluids such as nasal discharge, saliva and sweat can carry germs which are easily transmitted from horse to horse through direct and indirect contact. Please observe the following biosecurity protocols:

Limit horse-to-horse contact

1. Limit contact between horses and other horses, humans, and other animals.
2. Restrict unnecessary movement of horses out of their aisle or barn. Do not take a horse to another barn to be tacked up, braided, clipped, etc. Sharing equipment and grooming supplies, or coming into contact with other horses or soiled surfaces can spread germs.
3. Do not lead horses down other tent/barn aisles.
4. Do not let horses make nose-to-nose contact with horses from other barns when in common areas such as wash racks, at the rings, or while grazing.
5. Do not touch, pet, or feed treats to horses from other barns.

Soiled equipment is another common path for spreading germs and disease. Nasal discharge, saliva, sweat, and even soiled bedding can carry microbes and spread them via shared items such as tack, equipment, hoses, buckets, grooming supplies and towels.

Do not let water hoses touch buckets when filling. Contact with a contaminated surface on a water bucket can be easily transmitted to the next bucket contacted.

Do not allow horses to drink from the hose. Do not share water or feed buckets.

Use clean brushes and towels on each horse. If you don't have enough brushes for each horse to have his own set, be sure to wash them often.

Do not share tack and equipment, especially bits and bridles, unless they are cleaned between each use.

Monitor your horses temperature and contact the Show Veterinarian if you notice any unusual symptoms.

EQUINE HEALTH REQUIREMENTS

Coggins: All horses being brought onto the grounds for any competition must have a current **NEGATIVE COGGINS TEST** valid within 12 months. Horses will be prohibited from entering the grounds in the absence of a valid coggins test being submitted to the show secretary.

Proof of Vaccination: You must provide proof of vaccination for ALL of your horses on the grounds, showing or not. A letter from Veterinarian or invoice from veterinarian is satisfactory and should be submitted to show secretary at time of entry. Proof of vaccination must be e-mailed to show secretary at mhjaentries@gmail.com. Required Vaccines are: Influenza and EHV 1 & 4 (Rhino) within 6 months +/- a 21-day grace period. A temperature check should also be done 3 days before the first day of the show. All horses attending Equestrian Canada sanctioned competitions must have met the requirements of Article A519, Vaccinations. See Rules of Equestrian Canada, Section A, General Regulations, Article A519, Vaccinations

Keep copies of your Vaccination records in your tack room or in your truck/trailer. You may be asked by show organizers to present your health papers at any time.

Ship-Ins/Daily Haul-Ins: If you ship in and out daily, keep copies of your Vaccination records in your truck/trailer. You will be asked to present these records.

West Nile: It is highly recommended that horses are vaccinated for West Nile Virus.

HUMAN BIOSECURITY GUIDELINES

All competitors, owners, coaches, volunteers and show personnel are responsible for following Manitoba Health guidelines when on the showgrounds. All attendees to any MHJA show must familiarize themselves with these procedures to help protect their own health, as well as the health of others in our community. All participants should be mindful to frequently wash their hands or use hand sanitizer.

STALLIONS

Junior B and C exhibitors may not ride, drive, show on the line or handle stallions on the grounds. Junior A exhibitors may ride manageable stallions in Jumper classes **ONLY**. Art G105

SHOW RULES & ETIQUETTE

The Horse Show Committee reserves the right to refuse, limit, accept conditionally, or to cancel any entries; disqualify any riders or exhibitors thereby cancelling awarded prizes; to change any course, to cancel or combine any unfilled classes, or to change rings and/or officials, to reschedule classes after due notice to exhibitors and to intercept all questions and conditions in regard to, or arising out of, any incident to the show without claims for damages or recourse of any kind. Posted notice will be given to all exhibitors in the event of a change in the program.

The abuse or inhumane treatment of horses and/or humans will not be tolerated. Any unsportsmanlike conduct or use of abusive language by any person towards any other person will not be tolerated.

Contemptuous comments and interference towards officials will not be tolerated. No person, other than officials, the Show Committee or Show Management may enter the show ring without the permission of Show Management. Any of the above actions might result in removal from show, forfeiture of prizes and possible exclusion from exhibiting for one or more years.

As per article A801, every entry at an EC sanctioned competition shall constitute an agreement by the person responsible that the owner, lessee, trainer, manager, agent, coach, driver or rider and horse shall be subject to the EC constitution and all rules of EC and any additional rules set by the competition..." (A602.7) Every class offered herein is covered by the rules and specifications of the current rules of EC and will be held and judged in accordance with the EC Rule Book (A602.2)

In the interest of the welfare of the horse, competitors may be asked to limit the number of classes for horses that are shown excessively. At Victoria Day, Summer out of the City and Jump into Fall, each horse is limited to four (4) over fences classes per day.

RINGSIDE BEHAVIOUR

It is inappropriate to shout instructions to or critique a rider as they are focusing on their course. Providing some guidance in a normal speaking voice when the rider is near the ingate is acceptable however shouting instructions in a loud manner while the rider is in the ring is very distracting to everyone in the vicinity (including the judge) and may penalize performance. Please be considerate to everyone at the show and limit ringside coaching to appropriate levels.

CONCUSSION PROTOCOLS AND RETURN TO PLAY POLICY

All MHJA competitions will adhere to Sport Manitoba/Equestrian Canada 'Return to Play' guidelines when assessing a rider's ability to continue in the competition following a possible head injury. The guidelines and descriptions of concussive head injuries can be found at www.parachutecanada.org and will be posted in the show office at each competition. In conjunction with the onsite medics, the Show Committee will have discretion as to whether a rider will be allowed to continue in the competition following a suspected concussive head injury and will be made solely to prevent any further injury or long-term harm to that rider.

HORS CONCOURS

Entries will not be accepted in the hunter ring at EC sanctioned shows; Hors Concours rounds may be allowed in the jumper ring at twice the class fee, dependent on entries, at the discretion of the show committee. Horses showing Hors Concours may not compete in that ring again that day over fences.

PRIZES

Prize winners must take part in the prize giving ceremony and should do so with the placed horses. If a prize winner fails, without plausible excuse, to take part at the prize giving ceremony, the organizing committee, at its discretion, may decide to withhold the prize (FEI Art. 248.5). Per EC rules, all prize money will be applied against entry fees to the owner on the entry form or will be mailed within four weeks of the competition. Competitors must ensure that the correct address is included on the entry form or prize money will not be mailed out. Prize cheques must be cashed within three months or prize money will be forfeited. Classes with 4 or more entries will run with prize money as listed in the prize list. Classes with fewer than 4 entries will be run at the discretion of the Show Committee and entry fee and prize money may be modified. If only one horse, they may go and if not eliminated their points will count.

CHAMPIONSHIPS

All Hunter, Hack and Jumper divisions with three (3) or more classes may receive Champion and Reserve. Equitation divisions and some Hunter/Jumper divisions will receive High Point awards. Unless otherwise informed, all horses/ponies must be presented in a bridle for their respective award. Championships will usually be presented after the final class in the Division. Failure to present horses may result in forfeiture of prize money. If there is a tie for Championship in the Hunter Divisions, the horse with the most points over fences will break the tie. In Jumper divisions, a coin toss will break the tie. Equitation ties will hack off. Hack ties will be shown in hand and judged on Conformation. Points for division champion will be awarded for all classes listed in the prize list as part of the division.

TACK AND EQUIPMENT – Rules of Equestrian Canada, Section G, Annex I

Draw reins must be used in a safe manner. Draw reins are permitted in the schooling area. Draw reins are permitted over fences if used in the following manner:

- a) Attached to the girth, running through the front legs and secured at the neck.
- b) Attached to the breastplate.
- c) Attached to the girth at the billet straps; or
- d) Attached to the d-rings at the front of the saddle.

Standing martingales, german martingales and draw reins secured as above will be permitted in jumper classes where the height of the fences does not exceed 1.15m. Junior, amateur or non-pro riders may not compete in draw reins or German martingales.

There be no other restrictions or attachments of any kind. The competitor must not directly or indirectly tie any part of his body to the saddlery.
- b) Competitors are allowed to use a dressage whip when working on the flat but are strictly forbidden to use or carry a whip which is weighed down at the end at any time, or to use one which is more than 75 cm in length in the arena or schooling areas, when riding poles or over any obstacles. No substitute for a whip may be carried.

ATTIRE

Riders are to be neatly and suitably attired. White breeches are requested for Mini-Prix and Prix's. Beige breeches are acceptable attire for Hunter Specials, Classics and Medal classes. Formal Dress (Shadbelly) is encouraged but not required for Hunter Classics and Hunter Derbies. When permitted by the show committee, riders may show in the jumper ring in a solid-coloured collared shirt or an MHJA shirt. Striped or multi-coloured shirts are not permissible – exception Beach Party Show, where rules will be posted. Tank tops are not permitted while riding anywhere on the show grounds. At all EC sanctioned competitions, all competitors (including foreign competitors) in EC National classes must wear ASTM /SEI or BSI/BSEN approved helmets, with the safety harness correctly fastened at all times while mounted on the competition grounds.

PHOTOGRAPHS

Each exhibitor, or parent/guardian of exhibitors who are minors, agrees that photographs taken of the exhibitor by any photographer approved by the MHJA may be used for promotional purposes by the MHJA or its official sponsors. EC Amateurs may not use their name, photograph or any form of a personal association as a horse person in connection with any advertisement or article sold.

PROTESTS

All protests must be made to the MHJA Show Manager in writing and accompanied by a deposit of \$100 cash or certified cheque as per EC Rules where applicable. Such protests must state plainly the cause of complaint or appeal and must be delivered to the Show Manager/Chairperson within 48 hours after the completion of the Class concerned.

NON-COMPETING HORSES

MHJA members may bring horses for training on the warm-up day only of competitions at either BHP or RRX. There will be no stabling for these horses. Any ring may be used and a fee of \$65 will be assessed. Payment, waiver, and proof of Coggins and vaccination must be received by close of entries and horses will have a number assigned. These horses are not eligible to enter any classes but are governed by the Rules of EC and by the rules and regulations of the horse show and are bound by EC drug rules. Both competitive and non-competing horses are subject to drug testing. MHC, EC and MHJA membership is required.

SHOW COMMITTEE DECISIONS

The Show Committee/Show Manager reserves the right to decide any point not covered by the rules and to correct any error in the Prize List or Program. All owners, trainers, competitors, and grooms agree to the acceptance of these interpretations and additional ruling by virtue of your signed entry.

HUNTER DERBY

\$500 COMBINED HUNTER DERBY – Entry fee \$50

CLASS 62

\$150-\$125-\$100-\$75-\$50-R

To be held at Summer Smiles & Fall Harvest 2025. The Hunter Derby is a high-performance hunter class which presents competitors with the opportunity to showcase the talents of both horse and rider over a more challenging course. Handiness and the demonstration of inside turns are rewarded with higher points. The Derby combines a Hunter Classic and a Handy Hunter into one round. This format is exciting for both riders and spectators, encouraging riders to lay it on the line with bold, forward riding right from the start. The course may include the banks, grob, hedges and combinations along with traditional hunter fences.

The Hunter Derby will be run as a split height:

For horses competing at 2'9" and lower at the show, the fences will be 2'6" with options up to 2'9".

For horses competing at 3'0" and higher at the show, the fences will be 2'9" with options up to 3'0".

The course will be open for walking prior to the start of the class. The class is judged as a Handy Hunter, with a score announced immediately after each horse has finished its round. Two bonus points are awarded for each high-performance option taken on course (for example higher or more challenging fences). Additionally, two bonus points are awarded for each handy option taken on course (for example inside turns, halt, trot fence, route taken on roll backs, unique approaches, boldness and an impressionable start etc.) Immediately after the horse on course finishes, the scores will be announced as follows: total for performance, total for more difficult fences taken, total for handiness and a grand total for each horse and rider combination.

There is no jog required for this class.

No cross-entry into class 71 - True North Medal.

JUMPER DIVISIONS

Entries for jumper classes should be made by the class, not by the division. For prize money distribution please refer to the individual class description.

Jumper classes above 1.0m will be run according to a set order of go. The order may be changed in exceptional circumstances only, such as one rider showing multiple horses in the same class.

(Article G706: a minimum of 10 horses to go in between each horse ridden by the same rider).

The jumper ring will have scheduling priority and conflicts in the Hunter Ring will not be considered sufficient to change the jumper Order of Go in the Jumper Ring on Jumper Derby Day.

There will be only one course walk for both the 'JA' & 'Open' divisions of the 0.85m, 0.90m and 1.0m jumper classes; these will run as one class with two separate cards.

A horse/rider combination is permitted unlimited upward movement, but downward movement is restricted to only one level and is based on the level of the first class in which they have competed at that show.

Post entries: In classes where post or late entries are permitted and accepted after the draw is made, the post/late entry shall go first in the Order of Go.

JUMPER DIVISIONS

Entries for jumper classes should be made by the class, not by the division. For prize money distribution please refer to the individual class description.

Jumper classes will be run according to a set order of go as determined by sign ups on Show grounds live the night before the class. The order may be changed in exceptional circumstances only, such as one rider showing multiple horses in the same class. (Article G706: a minimum of 10 horses to go in between each horse ridden by the same rider).

The jumper ring will have scheduling priority and conflicts in the Hunter Ring will not be considered sufficient to change the jumper Order of Go in the Jumper Ring. Please consider this when doing your sign-ups the night before.

There will be only one course walk for the 'JA' & 'Open' divisions of the 0.85m, 0.90m and 1.0m jumper classes; these will run as one class with two separate cards.

A horse/rider combination is permitted unlimited upward movement, but downward movement is restricted to only one level, and is based on the level of the first class in which they have competed at that show.

Post entries: In classes where post or late entries are permitted and accepted after the draw is made, the post/late entry shall go first in the Order of Go.

Failure to sign up on showgrounds live the night before will result in the In-gate Manger inserting your horse in an empty spot in the order of go. Please see the In-gate the morning of your class to determine your place in the order of go in this instance. The In-gate may insert you in any available spot. Horses that signed up the night before will not be moved to accommodate horses that were not signed up on SGL.

(Article G706: a minimum of 10 horses to go in between each horse ridden by the same rider). The jumper ring will have scheduling priority and conflicts in the Hunter Ring will not be considered sufficient to change the jumper Order of Go in the Jumper Ring.

There will be only one course walk for the 'JA' & 'Open' divisions of the 0.85m, 0.90m and 1.0m jumper classes; these will run as one class with two separate cards.

A horse/rider combination is permitted unlimited upward movement, but downward movement is restricted to only one level and is based on the level of the first class in which they have competed at that show.

Post entries: In classes where post or late entries are permitted and accepted after the draw is made, the post/late entry shall go first in the Order of Go.

HUNTER DERBY

\$500 COMBINED HUNTER DERBY – Entry fee \$50

CLASS 62

\$150-\$125-\$100-\$75-\$50-R

To be held at Summer Smiles & Fall Harvest 2025. The Hunter Derby is a high-performance hunter class which presents competitors with the opportunity to showcase the talents of both horse and rider over a more challenging course. Handiness and the demonstration of inside turns are rewarded with higher points. The Derby combines a Hunter Classic and a Handy Hunter into one round. This format is exciting for both riders and spectators, encouraging riders to lay it on the line with bold, forward riding right from the start. The course may include the banks, grob, hedges and combinations along with traditional hunter fences.

The Hunter Derby will be run as a split height:

For horses competing at 2'9" and lower at the show, the fences will be 2'6" with options up to 2'9".

For horses competing at 3'0" and higher at the show, the fences will be 2'9" with options up to 3'0".

The course will be open for walking prior to the start of the class. The class is judged as a Handy Hunter, with a score announced immediately after each horse has finished its round. Two bonus points are awarded for each high-performance option taken on course (for example higher or more challenging fences). Additionally, two bonus points are awarded for each handy option taken on course (for example inside turns, halt, trot fence, route taken on roll backs, unique approaches, boldness and an impressionable start etc.) Immediately after the horse on course finishes, the scores will be announced as follows: total for performance, total for more difficult fences taken, total for handiness and a grand total for each horse and rider combination.

There is no jog required for this class.

No cross-entry into class 71 - True North Medal.

JUMPER DIVISIONS

Entries for jumper classes should be made by the class, not by the division. For prize money distribution please refer to the individual class description.

Jumper classes above 1.0m will be run according to a set order of go. The order may be changed in exceptional circumstances only, such as one rider showing multiple horses in the same class.

(Article G706: a minimum of 10 horses to go in between each horse ridden by the same rider).

The jumper ring will have scheduling priority and conflicts in the Hunter Ring will not be considered sufficient to change the jumper Order of Go in the Jumper Ring on Jumper Derby Day.

There will be only one course walk for both the 'JA' & 'Open' divisions of the 0.85m, 0.90m and 1.0m jumper classes; these will run as one class with two separate cards.

A horse/rider combination is permitted unlimited upward movement, but downward movement is restricted to only one level and is based on the level of the first class in which they have competed at that show.

Post entries: In classes where post or late entries are permitted and accepted after the draw is made, the post/late entry shall go first in the Order of Go.
