2026 ENTRY PROCEDURES

PLEASE READ CAREFULLY:

- All competitors will be required to submit a non-refundable deposit (stall and office fee) at time of entry via [ShowGroundsLive](#). A credit card number is required to cover your deposit. **No exception. E-transfers are not accepted.**
- All entries must be completed on [showgroundslive.com](#) by the closing date for the show listed in the prize list. If you have not used this program before, go to [ShowGrounds Live](#) and create an account. Then find the Manitoba Hunter Jumper Association page from the show management company drop down menu on the main page and enter online.
- Membership numbers for (EC), MHJA, MHC and your Horse Recording will be required upon entry. Please update your SGL profile to include all your current year membership numbers. Waivers should also be signed on SGL. Horse health documents should be submitted to the entry secretary upon entry via the [2026 MHJA Horse Health Recording](#).
- Entries will not be considered complete until your membership info & all your horse's health documents have been received. Incomplete entries may be placed on a waitlist, and complete entries will get priority.
- Once you have entered, you will be able to review your invoices and close out your accounts at the end of the show. You'll also be able to add/scratch your classes for the following day's competitions until 6:00pm each competition day.
- Failure to close out your account by 8pm of the Monday following the show will result in a \$50 Bandit fee to your competitor account. Accounts in arrears past this date may be subject to further late penalties and interest on the amount owing. Those with unpaid accounts will not be permitted to enter any shows until the account is paid in full and will be placed on a "credit hold" on Show Grounds Live. The hold will not be removed until such time as the balance is paid.
- Competitors are responsible for their own errors or those of their agents in the preparation of their entry forms. Juniors must have a parent or guardian sign their entry form/waiver.
- A ShowGroundsLive – *Platform Fee* will be applied to each horse entry in the competition. This fee supports the software platform used to manage entries, scheduling, results, and communications for both exhibitors and show staff.
 - The fee is charged once per horse entered in the system (referred to as an "Entry").
 - The fee for the 2026 Season is \$10 USD but is subject to change
 - It will be charged to the Responsible Party designated for the entry. By default, this is the Owner, but a different individual may be assigned.
 - The fee is not charged for:
 - Trainer Accounts (entries created solely to account for trainer-related charges)
 - This fee is charged directly by ShowGroundsLive. As a result, exhibitors may see more than one charge on their credit card or bank account (if using ACH payments) — one from the show organizer and one from ShowGroundsLive.
- Online entries are charged with the *Platform Fee* at the time the entry is submitted. For manually entered entries, the fee will be charged during the checkout process.
- Each entry is secured with a designated payment credit card. While exhibitors may choose any payment card during checkout, manually entered entries (created by the show office) will use the default Credit Card payment method on file for the Responsible Party.

JUMPER DIVISIONS – \$6095.00 in Prize Money

Entries for jumper classes should be made by the class, not by the division. For prize money distribution, please refer to the individual class description. Jumper classes above 1.0m will be run according to a set order of go. The order may be changed in exceptional circumstances only, such as one rider showing multiple horses in the same class. ([Article G706](#): a minimum of 10 horses to go in between each horse ridden by the same rider). Conflicts in the Hunter Ring will not be considered sufficient to change the jumper Order of Go in the Jumper Ring on Jumper Derby Day.

There will be only one combined course walk for both the 'JA' & 'Open' divisions of the 0.85m, 0.90m, 1.0m, 1.10m and 1.20m jumper classes; these classes will run as one class, with two separate cards.

A horse/rider combination is permitted unlimited upward movement, but downward movement is restricted to only one level and is based on the level of the first class in which they have competed at that show.

Post entries: In classes where post or late entries are permitted and accepted after the draw is made, the post/late entry shall go first in the Order of Go.

Open to ponies and horses. NO ADJUSTMENTS WILL BE MADE FOR PONIES. Points will not count towards any divisional championship.

The course will be open for walking prior to the start of the class.

2'3" J/A Classic is judged similar to a traditional Hunter class. It presents competitors with the opportunity to showcase the talents of both horse and rider over a course of about 10 or more fences. The class will have each score announced immediately after each horse has finished its round. The top 8 horses in round 1, will return to be shown over a shortened course in round 2. JUMPER DIVISIONS – \$6095.00 in Prize Money

Entries for jumper classes should be made by the class, not by the division. For prize money distribution, please refer to the individual class description. Jumper classes above 1.0m will be run according to a set order of go. The order may be changed in exceptional circumstances only, such as one rider showing multiple horses in the same class. ([Article G706](#): a minimum of 10 horses to go in between each horse ridden by the same rider). Conflicts in the Hunter Ring will not be considered sufficient to change the jumper Order of Go in the Jumper Ring on Jumper Derby Day.

There will be only one combined course walk for both the 'JA' & 'Open' divisions of the 0.85m, 0.90m, 1.0m, 1.10m and 1.20m jumper classes; these classes will run as one class, with two separate cards.

A horse/rider combination is permitted unlimited upward movement, but downward movement is restricted to only one level and is based on the level of the first class in which they have competed at that show.

Post entries: In classes where post or late entries are permitted and accepted after the draw is made, the post/late entry shall go first in the Order of Go.
