

Hospitality Report....2021

Due to the restrictions that COVID-19 put on the 2021 show season , the social aspect of the shows was very limited. At the Sizzling Summer show, a breakfast was offered to all the riders and officials and the bar was opened all weekend.

The level of the shows offered to the membership was not consistent to how points are calculated , which resulted in the cancellation of the 2021 Awards Banquet. Optimistically, the 2022 awards are scheduled for October 29th.

We are hoping to be able to have a Spring Brunch in April to start the season off!
