

SHOW CHAIR REPORT 2021-22

When we started preparing our 2021 show season, we were still optimistic that we could run a full season of horse shows. But we also had a backup plan in our mind if the pandemic was still around.

Due to Covid and the health restrictions we needed to cancel our first 2 shows (Victoria Day and Summer smiles). We decided to change our Beach Party show into a schooling weekend at the RRX, which was very successful, and all our time slots were completely booked.

The first show of the year was again, the Marcy Schweizer Memorial Show. Organized by Hermann and Tina Schweizer and their crew. We would like to thank Herman and Tina for taking the leap to organize their show in such a short period of time.

We needed to change our Heart of the Continent show into a shorter show and there it was our first (and hopefully our last) Summer Sizzling show ever.

Due to a date change for the summer fair we needed to cancel our Summer out of the City show, but instead we were able to have the Ride of the Rides show in August.

Our last two shows Fall Harvest and Jump into Fall were both a go as planned in our show schedule.

We had a good show season with lots of support and competitors. We would like to thank all our board members, staff, volunteers, sponsors and members who helped out during our events, without your support we wouldn't be able to organize any shows.

As we are going forward with preparing our 2022 show season, we hope that we can run a whole show season again. We are very proud to announce that we will be celebrating our Diamond Jubilee year. We and our special Diamond Jubilee committee are planning many fun things and special classes in mind for this special year. If you would like to be involved or would like to support/ sponsor any of our events or classes, please contact Christine Budzak. We will keep you posted so for now we wish all our competitors a good and fun show year!
